Robin--Just in case you haven't heard from anyone else, Radha is going through now, I'd probably put an estimate for delivery to OGC around 8:30 now.

I wouldn't have necessarily known if Pat was doing a briefing. But generally the briefings were lead by political staffers for the last couple years

Thanks Kristine, I will have to miss unfortunately. Also want to put on your radar that our AA for Engagement is going to be helping drive support for Janet and she mentioned EPN. Can you apologize to Mike for getting this request twice? We are just REALLY excited hehe

I mentioned and no worries! He's off and running on two letters--one from former Administrators and one from former Deputies; but he's still trying to make contact with leadership at the former employees networks. If it makes sense to loop with Rosemary, I would be happy to--I remember her from her last stint at EPA and I know she's great! I'm talking to Mike again at 10 on Friday and all are welcome, so let me know if you want me to add you and Rosemary.

Hey Radha--Hope hearing prep is going well! Rosemary and I chatted with Mike Flynn yesterday and it sounds like he's made good progress on support letters. Should he send them directly to Mary Frances on Tuesday night/Wednesday morning? Let me know if you have any advice about logistics/delivery to pass on to him.

Flagging for you to double check 104. I moved words/phrases around to make it read more straightforwardly but tried to retain meaning.

OGC ships it off to many people--all their different law offices. In theory that all happens smoothly but sometimes there are hiccups.

Hey I'm sending a draft oversight response to OGC for their review. I don't think it's worth your time until OGC approves but I want to keep you in the loop just in case something bubbles up. Let me know if you want to discuss, please.
